

Educators Elite FastTrack Trip Travel Proposal

Thank you for your
interest in AIG.

Does your school send students and faculty overseas? These travelers are vulnerable to a wide range of perils that can trigger losses and lawsuits often not insured through a domestic insurance program.

AIG offers “trip-travel” insurance providing the coverages shown below for \$2,500 premium if your “trip-travel” exposures fall within the exposure parameters set forth below.

- By signing this proposal below you declare that your international exposures fall within the exposure parameters.
- We will treat this declaration as your insurance application and it will form the basis of the insurance contract, and we will send you a quote.
- If your foreign exposures exceed our pre-set parameters, we will require a completed application. You can obtain our application from your broker or agent.
- Premium includes commission which shall be listed on your quote and binder.

We must receive binding instructions based on our quote prior to policy inception from your AIG appointed broker or agent.

Coverage Parts Included

The following coverages will be included in your policy:

- **Foreign Commercial General Liability** Third-party liability insurance for bodily injury/property damage and personal and advertising injury arising from your exposures outside of the U.S. and Canada, including foreign occurrences resulting in U.S. or Canadian suits. Standard endorsements include Educators Elite Broad Form; Crisis Response Study Abroad Deposit and Tuition Fees; and exclusions for Injury to Participants; Abuse or Molestation, Corporal Punishment, and Athletic or Sports Participants (These may be removed subject to additional underwriting and additional premium charges). Limits equal \$1M occurrence/\$2M aggregate.
- **Foreign Automobile Liability** Insures your liabilities for bodily injury/property damage arising from use of hired or non-owned vehicles overseas. Our coverage attaches as difference in conditions/difference in limits over any compulsory local coverage. Standard endorsements include an injury to participants exclusion. Limits equal \$1M per occurrence with no annual aggregate.
- **Foreign Voluntary Compensation** Offers state of hire/province of hire benefits for your U.S./Canadian employees while they travel or are stationed outside the U.S./Canada, including 24-hour coverage on a primary, first response basis. Employers liability limits equal \$1M.
- **Travel Accident and Sickness** 24-hour accidental death and dismemberment benefits, medical expenses, emergency evacuation and family travel coverage for employees, chaperones and students on a primary basis while traveling overseas on a school trip. Accidental death and dismemberment limits equal \$20K and medical expense limits equal \$10K.
- **Kidnap and Ransom** Protects your employees, directors, officers or their guests for risks of kidnap or ransom, extortion, wrongful detention or hijacking while traveling abroad. Limits equal \$250K for various loss components (e.g., ransom monies, consultants’ expenses, etc.).

EXPOSURE PARAMETERS

Coverage will be limited as follows:

- **Classes of business:** This insurance will apply to any class of educational institution regardless if it is private, public, higher education or K-12. Exposure must be limited to “trip-travel” (defined below). Applicants with any owned or leased physical premises within the coverage territory are ineligible for this product. If you have such exposure, please provide a full application for further review. Check the box to confirm acknowledgement:
- **Excluded countries/territories of travel:** Your travel does not include, and this insurance will not cover, travel to any country or jurisdiction that is subject to OFAC sanctions including travel to Afghanistan, Democratic Republic of the Congo, Haiti, Iraq, Lebanon, West Bank, Libya, Somalia, Sierra Leone, South Sudan, Sudan, Syria, Eastern Turkey, Pakistan and Yemen.* Check the box to confirm acknowledgement:
- **Type of travel:** For students, travel is limited to education-related activities only. For faculty or staff, it includes education-related and business- or occupation-related travel; however this is expressly limited to business travel for office and educational meetings, recruiting events, vendor meetings, etc. Travel for students, faculty and staff does not include physical or manual labor or humanitarian aid work. If you have any travel that is not strictly limited to the above descriptions, it may still qualify for this product, however we will require a more complete application in order to provide a quote. Check the box to confirm acknowledgement:
- **Exposures/concentrations:** We will not cover more than 10 trips per policy year by faculty/chaperones and 40 trips by students. (Our formula for calculating the annual trips is as follows: for example, 3 employees or students making 5 trips each during the annual term, whether traveling solo or in groups, is $3 \times 5 = 15$ trips). We will not cover a flight concentration of more than five employees traveling together on an aircraft. We will consider higher concentrations with specific details provided (commercial or private, any non-fixed wing exposure, destinations, number of covered employees and states of hire) exposure, destinations, number of covered employees and states of hire.

Please send completed applications to: worldriskfasttrack@aig.com

Notice: Signing and returning this proposal is for the purpose of obtaining a quotation and does not bind the applicant or the insurance company to complete the insurance. The undersigned declares that to the best of his/her knowledge, the statements set forth in the exposure parameters herein are true for the insured and that no other material information has been withheld. The undersigned also agrees that the existence of any policy that may be issued will not be disclosed to the host government.
