

Captive Fronting Solutions

Trust the Experts

AIG Multinational partners with Risk Managers to navigate the complexities of global risk by offering dedicated expertise to create bespoke multinational and non-conventional solutions to manage unique requirements.

Current market conditions present real opportunities for Risk Managers, brokers and insurers to create joint, scalable captive solutions that provide local and global benefits. AIG has a long and successful history of delivering captive fronting solutions to clients throughout the world through our dedicated, award-winning Multinational captive fronting team.

We have a proven track record of designing, implementing and servicing robust and compliant global solutions across multiple lines of business. With \$2.3bn in premium flowing to AIG-client captives each year, we are looking to partner with more Risk Managers to tailor solutions to meet their strategic captive-related objectives.
