Why AIG

Customized Solutions	Multinational Expertise	Stable Market Partner
<p>ISSUE The incumbent carrier for a middle market electronics firm began to reduce limits and cancel certain portions of the company's trade credit program.</p> <p>SOLUTION After working with the client and broker to understand their credit concerns, AIG Trade Credit delivered a customized program with a competitive structure to meet the client's specific needs.</p> <p>BENEFIT The client moved forward operating their business with a strong non-cancelable trade credit program in place and certainty of coverage for the policy period.</p>	<p>ISSUE A U.S. based pharmaceutical company's overseas subsidiary was contacted by a government seeking millions of infectious disease test kits, but was concerned about getting paid for the kits.</p> <p>SOLUTION AIG quickly brought together global resources to understand the risk and provided capacity to support the pharma company's credit extensions to third-parties contracted for distributing the kits.</p> <p>BENEFIT The pharma company received the credit protection it needed to enable the efficient distribution of its test kits at a critical time.</p>	<p>ISSUE A long-time food industry client was approaching renewal at a time when their business model had become high risk through government restrictions.</p> <p>SOLUTION Using our experience and market knowledge, AIG helped identify credit concerns in the company's portfolio and advised the client to insure their higher risk customers at reduced indemnity, while increasing credit limits for their lower risk customers.</p> <p>BENEFIT The client received prudent account advice to modify its program, while continuing to manage important customer relationships.</p>
<p>WHY IS THIS IMPORTANT? AIG Trade Credit is committed to providing clients with tailored solutions.</p>	<p>WHY IS THIS IMPORTANT? AIG's multinational credit protection allows clients to respond quickly during a global crisis.</p>	<p>WHY IS THIS IMPORTANT? AIG is committed to helping clients find the risk management solutions needed to grow their businesses.</p>

What is Trade Credit?

- 40+ year provider of customized non-cancelable limits coverage and credit management tools for mid-market businesses, large corporations, multinationals and financial institutions.
- Domestic and foreign accounts receivable can be insured under a simple, comprehensive policy.
- Structures generally include risk sharing in the form of co-insurance and/or deductible.
- Non-payment coverage available for short-term trade related receivables.

The scenarios described herein are offered only as examples. Coverage depends on the actual facts of each case and the terms, conditions and exclusions of each individual policy. Anyone interested in the above product(s) should request a copy of the standard form of policy for a description of the scope and limitations of coverage.

AIG is the marketing name for the worldwide property-casualty, life and retirement, and general insurance operations of American International Group, Inc. For additional information, please visit our website at www.aig.com. All products and services are written or provided by subsidiaries or affiliates of American International Group, Inc. Products or services may not be available in all countries, and coverage is subject to actual policy language. Non-insurance products and services may be provided by independent third parties. Certain property-casualty coverages may be provided by a surplus lines insurer. Surplus lines insurers do not generally participate in state guaranty funds, and insureds are therefore not protected by such funds.
