

IntelliRisk® Advanced

IntelliRisk Advanced provides detailed, real-time claim information and tools that enable you to proactively monitor claim activity and create ad hoc reports.

View consolidated claim information worldwide*. Access individual claim detail and view financial information in multiple currencies. Select from a library of standard report templates with numerous filter options, or design and save your own reports and download the results to Microsoft® Excel®.

IntelliRisk Advanced is fully supported by a dedicated Help Center and a team of experienced insurance professionals. Along with real-time access for U.S. and Canadian claims, data from over 30 countries is updated daily (remaining countries updated monthly).

*Claim data availability can vary based on the insurance program underwritten by AIG member companies, but generally is available for casualty claims for approximately 130 countries worldwide.

Features Include:

Dashboard summarizes claim and financial information. Search for a claim, or quickly access most recently viewed claims. Set preferences and dynamically update and refresh onscreen metrics; drill down to view details.

American International Group, Inc. (AIG) is a leading international insurance organization serving customers in more than 130 countries and jurisdictions. AIG companies serve commercial, institutional, and individual customers through one of the most extensive worldwide property-casualty networks of any insurer. In addition, AIG companies are leading providers of life insurance and retirement services in the United States. AIG common stock is listed on the New York Stock Exchange and the Tokyo Stock Exchange.

AIG is the marketing name for the worldwide property-casualty, life and retirement, and general insurance operations of American International Group, Inc. For additional information, please visit our website at www.aig.com. Products and services are written or provided by subsidiaries or affiliates of American International Group, Inc. Not all products and services are available in every jurisdiction, and insurance coverage is governed by actual policy language. Certain products and services may be provided by independent third parties. Insurance products may be distributed through affiliated or unaffiliated entities. Certain property-casualty coverages may be provided by a surplus lines insurer. Surplus lines insurers do not generally participate in state guaranty funds and insureds are therefore not protected by such funds.
