12.5. Customer may, at its own expense and without releasing any indemnification obligation of Supplier, participate and appear in the defense or settlement of any Indemnifiable Claim or Third-Party Infringement Claim. Supplier may not settle any Indemnifiable Claim or Third-Party Infringement Claim without Customer’s prior written consent.

12.6. Supplier agrees that its obligations to indemnify Customer under this Section 12 (*Indemnification*) are distinct from, independent of, and not intended to be coextensive with its duty to procure insurance under Section 11 (*Insurance*).

The written confirmation shall describe with a reasonable level of detail the then-known circumstances causing the Force Majeure Event and provide the anticipated duration of the delay arising from the Force Majeure Event.

16.3. Changes to a Purchase Order. Customer may change a Purchase Order upon written notice to Supplier. If such change increases the cost or performance time, then Supplier shall issue a revised quote in writing to Customer within thirty (30) days after Customer's change request. Upon written acceptance of Supplier's revised quote, Customer shall issue a revised Purchase Order. The Parties' execution of a revised Purchase Order shall cancel and supersede the original Purchase Order, without any liability to Customer. Any revised Purchase Order shall be subject to these Terms and binding between Customer and Supplier.

Each Party irrevocably accepts the jurisdiction of the New York Courts and waives any objection that it may now or hereafter have to the laying of venue of any such action, suit or proceeding brought in such courts, and waives the defense of an inconvenient forum to the maintenance of any such action, suit or proceeding brought in the New York Courts.

Nothing in these Terms or any Purchase Order shall be construed to grant Supplier or Supplier Personnel any rights under any Customer benefit plan. Supplier assumes full responsibility for the actions and supervision of Supplier Personnel. Supplier is solely responsible for the costs associated with its compliance and the compliance of Supplier Personnel with the Vendor Certification Program. If Customer determines that the results of any background check(s) of one or more Supplier Personnel do not meet its requirements, Supplier may not assign such Supplier Personnel to perform Services.

16.18. Waiver. No delay or failure by either Party to exercise its rights or remedies under these Terms or the Purchase Order will operate as a waiver of such right or remedy.
